WE ARE LONDON SQUARE

MAKING LONDON GREATER

London Square is an Aldar-owned company, that is committed to quality design, sustainability, and service, creating world-class homes that enrich the lives of our customers.

By embracing innovative design and prioritising sustainability, we aim to build communities where people want to live, now and in the future. Our commitment extends to enhancing biodiversity, cutting greenhouse gas emissions, and addressing social challenges, all with clear targets for a more sustainable London.

“When I founded London Square, I set out to build homes that reflect London’s rich architectural heritage and create vibrant communities.

Over 14 years, we’ve delivered 30 award-winning developments and received more than 60 accolades for excellence. Now, as part of the Aldar Group of Companies, we continue to set new standards in design, sustainability, and customer service.

We are proud to announce the launch of our latest development, a unique site creating an exciting new address for South West London. The 32-acre Springfield Park sits as a beautiful backdrop to London Square Wandsworth Common.

Our collection of stylish, innovative, inspiring English heritage houses and apartments are designed for the perfect London luxury living lifestyle. This premium housing in a new village in Wandsworth Common is part of the regeneration of Springfield Park, emphasising the community-first placemaking that offers a green haven amongst the hustle and bustle of South West London.”

Adam Lawrence
Chief Executive

SUSTAINABLE LIVING

IN THE CAPITAL

By embracing innovative design and prioritising sustainability, we aim to build communities where people want to live, now and in the future.

Social

We focus our efforts on building sustainable communities as they are at the heart of who we are and what we do.

We are proud to be a Living Wage Employer and accredited with the Greater London Authority's good work standard.

Communities

We will keep building sustainable communities where people can live, work, learn and play.

Inclusion

We will continue to be an inclusive employer of choice and create developments that foster inclusion in the community.

Employment

We will remain an outstanding employer that people want to work for.

Environment

We continue to innovate in order to secure a sustainable future for all.

We focus heavily on ways we can reduce our impact on climate change and the pressures put on the earth, nature and precious resources.

Carbon

We will work to build net zero carbon homes by 2030, decreasing our greenhouse gas emissions year on year.

Waste

We will continually strive to reduce, re-use and recycle, recycling a minimum of 98% of our construction waste.

Natural resources & biodiversity

We will continue to source materials with the least environmental impact, reduce water consumption and increase biodiversity.

Governance

We are committed to increasing diversity at all levels of our organisation, including our Executive Board.

However, the Board is supported by a strong team, with a higher than industry average representation of female and BAME employees.

Corporate governance

We will continue to be well governed and do business in a clear and transparent manner.

Business ethics

We will continue treating our suppliers and customers fairly.

Reporting

We will continue to pay fair taxes.
